### **Latest Statement on the future of Tate South Lambeth Library and Durning Library by Councillor Jane Edbrooke**

**KOV Forum is grateful to have received the following information:**

**'A four-week consultation on the proposals for Tate South Lambeth in South Lambeth Road becoming a healthy living centre and Durning Library in Kennington becoming a town centre library has now concluded and, having listened to people, the council recognises the desire to keep these libraries open. We therefore propose that Tate South Lambeth and Durning Library will both remain open until we can identify a permanent site for a town centre library for the north of the borough. However the decision to keep both Tate South Lambeth and Durning Library open may mean reduced opening hours. For more information visit the Lambeth's libraries – questions and answers page at [lambeth.gov.uk/lambeth-libraries-faq](http://www.lambeth.gov.uk/lambeth-libraries-faq)**
